**Save Energy!** With the increase in heating and electricity bills, it is now more important than ever to do everything we can to reduce energy usage. Last year we replaced all lights with LED lights. This year we would like everyone to close doors and turn off lights when not in use, especially class rooms, sanctuary, gathering space, fellowship hall and Noah's club. Thank you for saving energy!

**"Phishing" Scams** - In our sinful world, there is unfortunately no shortage of people who seek to deceive and take advantage of others. Churches and their leaders are often targets of such scams. Often, such scammers will send emails and/or texts to church members pretending to be the pastor and then asking for money or gift cards. If you receive one of these emails or other communications, ignore them. Pastor Tom or other NALC church leaders will never contact you in such a manner. If you do receive such an email or text, please let the church office know.
